Your Vote--And Your Radio

Your vote will not make you a king. But it will, if used intelligently, give ou rights and privileges which you do not now enjoy. Your vote, wth the votes of your fellow citizens, can bring about condithe Lee school house Saturday tions which will make your home a happier one. It can enable your children to get a better educaton, a better chance in life. You can use it, with other clear-sighted men and women, to shorten your working hours, to increase your income, to decrease the cost of living. You can make it bring you the As a voter, you are today in an advantageous position. By turning the dial on your radio set, you can bring into your own living room the voices—and the opinions and experience—of the Nation's most distinguished speakers,

thinkers and legislators. You can hear them discuss the candidates and the social workers, philanthropists, labor leaders and farm experts are breaking chest in the sand, not knowing it was becoming most interested in their party ties to help elect "the most constructive, foorless, honest and human quicksand, and only modern engineer- club work. We hope to accomplish a candidate since Lincoln." You will want to know—and he wants you to know—his record and his is also a theory that the \$15,000,000 oledges on the issues which are of vital importance to you—such issues as paid France for Louisiana never
